

TRAINING MANUAL - HAIR EXTENSIONS WEFTS

At IVY Extension, our mission is to deliver professional, rigorous, and ethical training, always prioritizing both our clients and their well-being. Choosing to train with us means investing in top-tier expertise, whether you wish to perfect your skills or launch an exciting new career in the world of hair extensions.

COMPREHENSIVE AND RECOGNIZED TRAINING

Recognized as one of the most comprehensive programs in Quebec, our training covers all the essential aspects of hair extensions?both theory and hands-on practice. Each module is explored in depth to ensure a thorough understanding and perfect mastery of the techniques taught.

A PERSONALIZED APPROACH FOR BETTER COMPREHENSION

We keep our class sizes small to provide personalized guidance to each student. Our training combines detailed theory sessions with intensive hands-on practice, ensuring you can easily absorb the concepts and apply them with confidence.

A BALANCE BETWEEN THEORY AND PRACTICE

Our training courses combine detailed theoretical sessions with intensive practical exercises, ensuring effective assimilation of concepts and practical application of the techniques taught. Each student leaves with the skills and confidence needed to excel in the field of hair extensions.
